Ex-Scout leader sentenced for sex offenses

By JOSEPH GRAF
Times Staff Writer

A former Boy Scout leader was sentenced to one year house arrest Friday for six charges of having sexual contact with juveniles.

"I regret very much the hurt and pain I caused to others, some of them have been close to me," said Ross Venett, 28, in a statement he read in court before he was sentenced. Several of the victims and about a dozen members of their families appeared at the sentencing in Centre County Court in Bellefonte.

Venett said he thinks the charges against him are false but he pleaded guilty to protect the victims.

Centre County President Judge Charles Brown Jr. sentenced Venett to 11½ to 23 months in-home detention, a \$1,000 fine, counseling and treatment for sex offenders. Venett will then be placed on probation for

two years.

"These kinds of cases are always difficult because there are two victims," Brown said. He said he considered a jail term, but believes it would hurt Venett's psychiatric treatment.

Venett, formerly of North Oak Lane, State College, pleaded guilty in December to charges of indecent assault and corruption of minors.

He was accused of indecently touching a juvenile in his home and on three other occasions during Boy Scout outings last year. Two incidents occurred at the Seven Mountains Boy Scout Camp, which is a summer camp off Route 322 in Potter Township.

In all the incidents, Venett stopped when the juveniles told him to, according to the criminal complaint. The victims were boys between the ages of 12 and 14.

Venett's attorney, Joe Amendola, said 20 letters were written to the court on Ross's behalf, including one letter from the family of

a victim.

"Ross was always a sensitive and caring person," Amendola said.

"The very thing that brings Ross to court today is the same thing that happened to Ross when he was a kid," he said. "What we're really dealing with is a mental illness."

District Attorney Ray Gricar argued that Venett should receive jail time as well as hospitalization.

"People are responsible for their criminal behavior," he said. A jail term would send a message and act as a deterrent.

Before he was sentenced, Venett rose and read a short statement saying he had been helped by programs for sex offenders that he was attending.

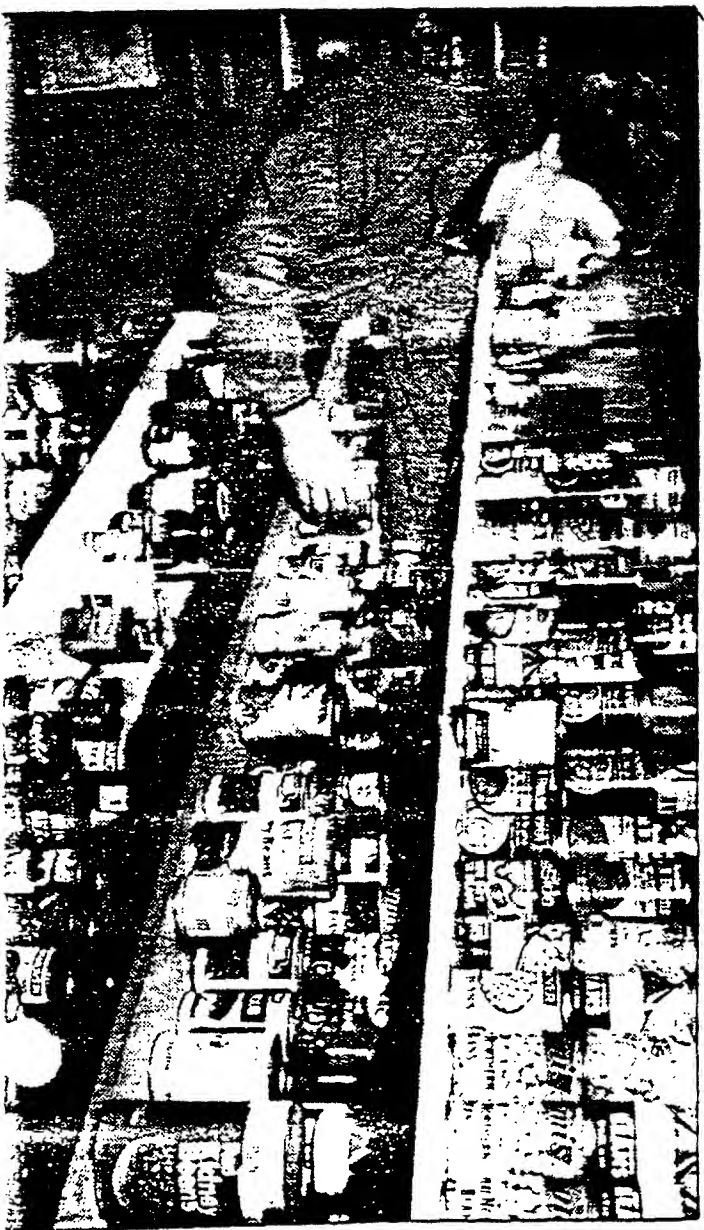

In-home detention means that Venett can leave his residence for work, school, medical and psychiatric treatment, religious observances and emergencies. The probation office will conduct random surveillance to make certain the sentence is followed.

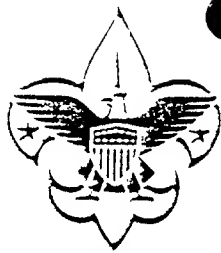

Cuts in federal food program anticipated

By NICK HAYS
Times Staff Writer

Centre County food bank operators Friday lamented pending cuts in the federal surplus food program — which could end the county's semi-annual mass food distributions — but doubled the food banks would be greatly affected.

Officials at four of the county's seven food banks said ending the mass distributions would lead more people to seek food from the

Dear Ross:

It is with regret that, in accordance with the policies of Boy Scouts of America, your registration with the Boy Scouts of America is hereby suspended pending the outcome of charges brought forth by the Pennsylvania State Police Department.

The policy of the Boy Scouts of America is that membership registration is a privilege and is not granted to everyone who applies. The Boy Scouts of America reserves the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the Boy Scouts of America seeks to provide for American youth.

Pending the outcome of this situation, if you wish to have this decision reviewed by a Council Review Committee, please write to me, explaining your version of the facts supporting your claim that your registration as a Boy Scouts of America member should be reinstated.
